COUNCIL on AGING

December 29, 1969

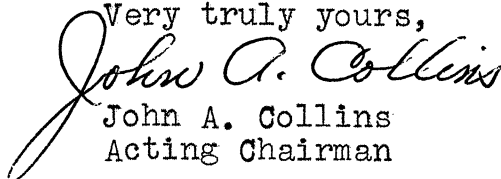

Members of Council
City Hall
Cambridge, Massachusetts

Dear Members:

Today I received notice of a hearing on Health and Nutrition to be conducted by a Sub-Committee of State Legislators.

It will be held in the Auditorium of the Harrington School on Monday-January 5, 1970 at 9:30 a.m.

It is hoped that interested members of the City Council will appear and express their views on this subject. By so doing, it will add weight to overcome this problem which effects many residents of Cambridge.

Very truly yours,

John A. Collins
Acting Chairman
