Traffic Department
City of Cambridge

The following residents of Meacham Road, North Cambridge, area code 02140, are greatly concerned about the traffic flow on Meacham Road. This concern has been brought to the attention of the Traffic Division, to no avail.

We presently have eleven children living in this one block from Mass. Ave to Locke Street. They are in constant danger from cars racing from Somerville to Mass. Ave at 60 and 70 miles per hour. We do not need someone from the Traffic Department to come and monitor these speeding cars. We experience this everyday.

What we do request is to have Meacham Road designated a one way street from Mass. Ave to Locke Street. A copy of this request is being sent to the City Manager and the City Council. Please respond in writing to:
