He's serving a life sentence for killing his wife, but now Robert Kosilek is getting ready for a new trial - to decide whether he gets to live the rest of his life as a woman.

US District Judge Mark L. Wolf yesterday agreed to grant Kosilek, who calls himself Michelle, a trial on his contention that he has a serious medical condition called gender identity disorder, and the Department of Correction is violating his civil rights by depriving him of necessary treatment, including a sex change.
