

Cambridge September 9th 1867

To the Honorable board of Mayor & Aldermen
City of Cambridge.

Gentlemen,

The undersigned petitioners would respectfully
call your attention to the condition of the
common situated in ward one. There has
not been a dollar expended on it since 1866.
And there is at the present time, a much
larger crop of grass, than when it was
last cut in June. The walks are in a very
bad condition being overgrown with grass
and weeds. And the trees also having
been very much neglected need cultivating
in order to have them thrive. And we hope
that for the credit of the city it will be
attended to immediately.
