Clerk
Cambridge City Council
Cambridge, MA

My wife and I would like the issue of truck traffic on Cambridge St.
placed on the agenda for the July 27, 1998 meeting of the City Council.
Our concerns include the heavy 24 hour a day use of the street by trucks,
the recently posted night time ban of trucks on Kirkland St. and the
designation of Cambridge St. as an alternate route.

Thank you,

Chuck Swartz
