Dear Councillors;

We are writing to your honorable body to express our gratitude to all concerned in bringing the Art Council program to our city.

On Sunday evening October 25th three very nice young people came to our Common Room and put on a Musical Program for about 150 of our elderly tenants. We were very happy that Jeff, Susan and Peter came to share their wonderful talents with us and to spend over one hour singing and playing. We are hoping that we can look forward to another visit with them and any other programs that the Arts Council may have to offer.

We would like to have this letter read at the next Council Meeting as we want all of you and anyone else concerned to know how much we appreciated the efforts of all concerned in these programs.

Thank all of you again we are,

Gratefully Yours,

The Tenants Council
Millers River Apartments
