Councillors:

I am writing to invite you to a showing of the movie "The War Game". This movie is a dramatization produced by the BBC and depicts the aftermath of a nuclear attack on a village in Britain. I am very concerned that just such a terrible thing could happen here - hence my efforts in organizing an opportunity for Cambridge citizens to view this important movie.

I have invited Councillor Wylie to speak afterwards on actions that we can take in order to help prevent use of nuclear weapons.

I have received permission from the School Committee to use the auditorium at the high school. No admission will be charged. The movie will be shown at 7:30 February 19th.

Please attend.
