Re: Proposed Recodification of the General Ordinances

Dear

Enclosed please find a copy of Chapter of the General Ordinances as it was revised in the 1976 Preliminary Draft of the Cambridge City Code. You will note that the style of this draft differs from that of the present code by employing a decimal system to designate the articles and sections of each Chapter.

We are also enclosing any ordinances that pertain to your Department and were passed after the 1976 Preliminary Draft was completed. These must be incorporated into the recodified version of Chapter

Please review the enclosed material and submit any recommendations you may have to the City Solicitor no later than August 3, 1980.

Very truly yours,

David A. Wylie
Chairman

Russell B. Higley
