Cambridge March 16 1885
To the Honorable Mayor and Board of
Aldermen:

The undersigned residents and
tax payers of Cambridge respectfully represent
that the sidewalk on the North side of Brattle
Street West of Sparks Street is, on account
of mud and slush in many months of the
year wholly unfit for foot travelers; that
it is a main thoroughfare with a large
amount of tributary pedestrian travel;
that a stone flagging would remedy the
existing nuisance; and your petitioners
pray the matter may receive your early
attention, not alone because of interest to
them but greatly to the public at large.
