

To the Honorable the Mayor  
and Board of Aldermen of the  
City of Cambridge:

We, the undersigned, citizens and  
taxpayers of said Cambridge, respectfully  
present - that public convenience and necessity  
demand and require that - Franklin Street  
should be continued westerly into Corporation  
Street - so as to give uninterrupted passage  
through Franklin Street across Putnam and  
Banks Street into Corporation Street; wherefore  
we pray that land may be taken for that  
purpose and that all things necessary to that  
end may be done, and that a hearing  
may be appointed for the presentation of  
such facts and views concerning the laying  
out and continuation of said Franklin Street  
as may be deemed proper.
