Subject : Elimination of Barrel Rolling and Separate Garbage Collections

I suggest that the elimination of Barrel Rolling and Garbage Collection be implemented as follows:

1. Both services be eliminated effective September 22, 1975.
2. Notices should be put in the newspapers on September 11, and September 18, 1975.
3. We continue to provide Barrel Rolling for elderly and and handicap residents who need this service. We will ask people to call the Public Works Department and let us know.

I feel with proper information being furnished to the public, we should have few problems.
