Vice Mayor

Dear Mr. Duehay:

The Worcester City Council passed a resolution asking me to express the official condolences of the City of Worcester to the officials of the City of Cambridge and its citizenry on the death of Mayor Leonard Russell.

Death leaves dreams unfulfilled. Every person who dies leaves behind a heritage of good to be done by his family and friends, by those who knew him best. Accepting the loss to do his magnificent good to any and to all could be the living memorial to an individual who meant so much to so many.

The City of Worcester and its elected representatives share with you, at this time, the sorrow and the pain that come from the loss of a dear friend. I offer, as well, my own personal expression of sympathy and consolation.

Sincerely,

Joseph M. Tinsley
