Thank You

To the Honorable, The City Council,

I would like to express my deep appreciation for your council order wishing me well as my internship in the City Manager's Office comes to an end. My experience working for the City of Cambridge has been an extremely positive one, and I would like to thank the Council, the City Manager Robert W. Healy, Deputy City Manager Richard C. Rossi, Lisa Peterson, and all of the dedicated public servants I have had the pleasure to work with over this past year, for making this so. As I head West to apply my Cambridge education and municipal governance experience to my home state, I will remember your diverse and energetic City with fondness.

Very Truly Yours,
