City of Cambridge.

In Board of Aldermen, Dec^r. 1888.

~~Ordered,~~

Whereas, it is represented to this Board that the public necessity and convenience require that Holyoke Street, between South Street and Mill Street, should be laid out at the width of twenty five feet, and that for such purpose said Holyoke Street should be widened on both sides thereof, between the points before mentioned, by taking ~~for said purpose~~ certain parcels of private land as shown on a plan prepared by the City Engineer, dated April 12, 1882, to wit, a strip of land of varying width on the westerly side of said Holyoke Street, bounded and described as follows, viz: - beginning at a point on the southerly line of South Street, about thirteen feet westerly from the southwest corner of South and Holyoke Streets: thence running easterly along the southerly line of South Street about thirteen feet to Holyoke Street: thence southerly along the westerly line of Holyoke Street about one hundred and thirty two feet: thence westerly about two feet to a point

2

City of Cambridge.

In Board of Aldermen,.....188

~~Ordered,~~

in the southerly line of land of Dennis J. Crasley:
thence northerly about one hundred and twenty-five
feet to the beginning of a curve of ten feet radius:
thence north westerly along said curve about fourteen
feet to the point of beginning, containing about
four hundred and fifty seven square feet. Also, a
strip of land of varying width on the easterly side
of said Holyoke Street, beginning at a point in the
easterly line of said street, twenty five feet from the
proposed new westerly line of said street as herein-
before described: thence southerly, parallel to said
proposed new westerly line; and twenty-five distant
therefrom, - about ninety-six feet to the beginning of
a curve of twenty feet radius: thence south-easterly
along said curve about twenty-eight feet to a
point in the northerly line of Mill Street: thence
westerly along said northerly line of Mill Street,
about eight feet to a curve of varying radius:
thence north-westerly along said curve about

City of Cambridge.

In Board of Aldermen,.....188

~~Ordered,~~

fifteen feet to a point in the present easterly line of Holyoke Street; thence northerly along said present easterly line of Holyoke Street, about one hundred and five feet to the point of beginning; — containing about one hundred and eighty four square feet, the total area required to be taken being about six hundred and forty one square feet. The lines, areas &c, being shown upon the aforesaid plan, now on file in the office of the City Engineer, entitled a Plan of Holyoke Street, from South to Mill Street, and dated April 12. 1882.

It is therefore hereby

Ordered, That due notice be given to the owners and abutters on the lines of the proposed widening of said Holyoke Street, and all other persons interested that this Board will give a hearing upon the matter of said proposed widening, on Wednesday, December 26th current, at 8 o'clock P.m., and all persons interested may then appear for, or against said ^{proposed} widening.
