Councillors,

We at the Fresh Pond Market support putting a crossing light at the crosswalk between the Drug store and the Bank on Huron Ave. Placing the barrel with the sign is a good start. It points out the existence of a crosswalk to the motorist but a light will make the crosswalk even safer. A visible red light would send a signal to the oncoming motorist that the crosswalk was being used and be prepared to stop.

We hope the council will approve and authorize installation of this crossing light. It will help prevent further accidents and make for a safer community.
