Dear Councillor Toomey:

O'Neill Associates from Pennsylvania is in the process of soliciting support for his development proposal at the current site of Arthur D. Little in Cambridge.

Arthur D. Little as I understand is relocating their facility to Mr. O'Neill's development at the Watertown Arsenal.

While we are encouraging Mr. O'Neill to utilize contractors at the Cambridge site who conform to community standards of wages and working conditions, we do not have his commitment at this time.

We would respectfully request your support to explain to O'Neill Associates the importance of maintaining the community standards of wages and working conditions in the City of Cambridge.

Thank you in advance for your cooperation.

Sincerely,

John A. McGinness
