

City of Cambridge

9.

IN CITY COUNCIL

February 24, 1992

COUNCILLOR SULLIVAN

WHEREAS: The main entrance to the Cambridge Hospital is closed during the evening and all pedestrian traffic must go through the Emergency Room entrance; and

WHEREAS: Although this closing of the main entrance provides greater control within the Hospital in terms of security, the fact the entrance area is unlit serves as a disservice to the people walking along Cambridge Street and those individuals visiting patients who walk to the front of the building to obtain a cab or take the bus; now therefore be it

RESOLVED: That the City Manager be and hereby is requested to take the appropriate action to have the entrance to the Cambridge Hospital relit during the evening and early morning for the safety of the general public.

In City Council February 24, 1992.

Adopted by the affirmative vote of nine members.

Attest:- Joseph E. Connarton, City Clerk.

A true copy;

ATTEST:-

A handwritten signature in black ink, reading "Joseph E. Connarton".

whereas:

The main entrance to the Cambridge

Hospital is closed during the evening and all

pedestrian traffic must go through the Emergency

Room entrance, and

whereas:

Although the closing of the main entrance

provides greater control within the hospital

in terms of security, the fact that the entrance area

is well lit poses as a ⁽¹⁰⁾disincentive to the people

walking along Cambridge Street and those individuals

walking, patients who walk to the front of the

building, to obtain a cab or place the

line,

Now therefore we at

Resolved:

That the Com. Managers be and be doing

is requested to take the appropriate action

to have the entrance to the Cambridge
Hospital ^{during the evening and early morning} closed for the safety of the

General public
