Mr. Paul Healy, City Clerk  
City Hall  
Cambridge, MA 02139

Dear Mr. Healy:

Attached to this letter you will find a copy of the most recent audit of the Massachusetts Bay Transportation Authority, covering the period from January 1st, 1978 to December 31st, 1978.

It is my hope that this report will enable each reader to better understand the financial operations of the MBTA, and will serve as a basis for constructive responses to the findings contained in the report. An audit of the financial systems of the MBTA is a long and complex task; however, if improvements are made in the operations of the Authority the time and effort will be well spent. As State Auditor I trust you will find this report both interesting and useful.

Sincerely,

*Thaddeus Buczko*
