Dear Ms. Albano:

On behalf of Dr. Mary Maples Dunn, Director of the Schlesinger Library, and members of the Library staff I thank Councilor Kenneth Reeves and other members of the Cambridge City Council for the resolution passed in February in honor of the library's acquisition of the papers of Ruth M. Batson. These are very important papers for the research community. Ms. Batson is extremely committed to addressing those social changes that improve the quality of lives for many. Access to her papers will allow researchers to publish works that will inspire others to Ms. Batson's level of commitment and will preserve the historical document for future researchers. Thank you again; our gratitude is bountiful.

Sincerely,

Sylvia McDowell
