**To: All City Councilors:**

**From: Morse School 150th Parade Committee**

**Date: September 9, 1996**

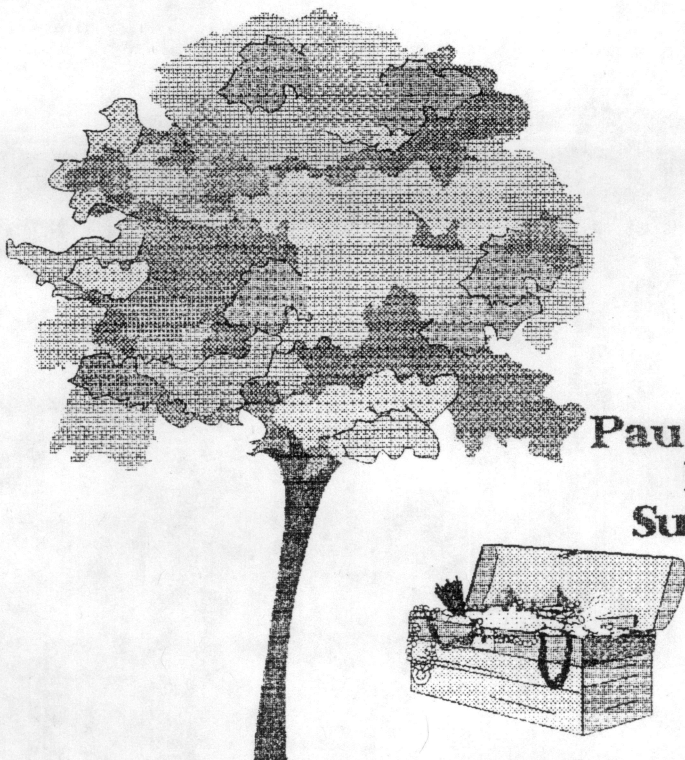

Our "Tree of Knowledge" float in this past Saturday's 150th Anniversary Parade in honor of the city of Cambridge was a huge success. But our celebration does not end there.

On Wednesday, September 11, 1996 at 1:00 pm our "Tree of Knowledge" will be planted outside the Science room along with a time capsule of various items from the float.

Please come and share with our school a piece of history, that future Cantabridgians will look on with pride and a hope for their future (they may even be some of our descendents).

**We look forward to  
seeing you there.**
