Dear Sir:-

At a meeting of the City Council held on May 20th, 1957 a report of the Committee on Public Service was adopted recommending that the petition of C. Louise Sughrue et als for street lights at the corner of Sibley Court and Sparks Street, be referred to the City Electrician for analysis and report.

Enclosed you will find a copy of the petition as aforesaid.

Very truly yours,

Cambridge, City Council  
City Hall,  
Cambridge, Mass.

Sirs:

We the following, are petitioning the placing of a street light at the corner of Sibley Court and Sparks St.,

We feel the lighting in this area inadequate. During the recent months, we have had a number of prowlers in this area. We feel that this is due to the poor lighting at this particular spot.

We would appreciate a lighting survey to be made of this area and if such is done, we are sure that a light will be placed at this requested spot.

In this particular section, we have a great number of young children whom we feel would be better protected by additional lighting.

Thank you in advance for your kind consideration.

Very truly yours,
