

May 21st.

1889.

To John McDuffie, Esq.,

Clerk of Committees:-

In reply to the enquiry "as to the extent to which the City will be liable for damages on account of the required changes," if an alteration be made in the grade of Main street in accordance with a profile plan on file in the office of the City Engineer, and as contemplated by a former order of the Board of Aldermen,—

I express as my opinion that the City will be liable to the full extent of any damage caused to a person in his property by such alteration.

Respectfully submitted

Chas Mc Intire
City Solicitor.
