

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Robert Healy, City Manager

Date Oct. 29, 1991

From  George Teso, Traffic Director

Reference

Subject City Council Order #3 dated Oct. 21, 1991 Re: Mass. Ave. & Alewife Brook Parkway Signals

The Traffic and Parking Department working with the Metropolitan District Commission have looked at this problem and we have found that except for the peak hours of traffic, there are gaps in traffic that allow for vehicles to enter and leave some of those streets nearest to the parkway.

We have during the peak hours setup the sequence of traffic signal movements to allow for these gaps and will monitor the effect this has on this problem.
