In Board of Aldermen, May 12 1874.

The Committee on Roads & Bridges on
the part of this Board to which was
referred petition of Jonathan Bijelow for
abatement of assessment for construction
of sidewalk on Forest St.
Reports.

That said assessment
was levied as is usual in such cases
and no ~~good~~ reason exists for making
said abatement as the size and shape
cannot be considered in assessment for
construction of sidewalks as in assessment
for betterment. It is therefore rec-
ommended that petitioner have leave to
withdraw.

For the Committee,
