

Dear City Council

I am a third grade pupil in the penbody school. I am writing to protest against prop. 2 and a half. You don't just have to fire young teachers, young teachers are just as good as old teachers. Please stop firing young teachers. Be more careful about who you fire. Your losing some good teachers.

Yours truly,

Thomas Abt

Comm. from Thomas Abt, third grade student
at the Peabody School, in opposition to
Proposition 2½.
