

Cambridge, May 22, 1882.

To the Honorable, the City Council,
of the City of Cambridge

The undersigned respectfully pray that your honorable Board will not grant the petition of T. D. Sullivan for the widening of Holyoke Street (extension), for the following reasons: -

That that portion of Holyoke Street has not been accepted by the City;

That it is not a public highway;

That the interests of the City do not demand it;

That it would be an injury rather than a benefit to your Remonstrants:

That we are satisfied with its present condition. By accepting the foregoing reasons you will confer a benefit on your Remonstrants, and we will ever pray.

Denis J. Crowley,

Henry Billington

M. A. Dillingham

Mary Casman.
