MEMORANDUM

To: City and Town Councils
Boards of Aldermen

From: Executive Secretary
Massachusetts Municipal Councillors' Association

Date: May 23, 1986

Subject: Spring Conference
June 7, 1986
Hyannis

If you were thinking of attending the above meeting as a "walk-in" registrant, this is to advise that we have had to cancel it because the low advance registration did not justify the expense of the speakers and the time of the candidates for Lieutenant Governor.

It has been suggested that the date was a major problem, in that there are too many competing demands on everyone's time just now, and that we should try again in March or April next year. Please let us know whether you agree, whether the program should be the same, or whether there are some better ideas.

We are sorry to have to call off what had been planned; a great deal of thought, time and effort went into the arrangements. We continue to seek to be of service to you.

S-379

Comm. from the Executive Secretary, Mass.
Municipal Councillors' Assoc., transmitting
notification of the cancellation of their
Spring Conference scheduled for June 7, 1986
in Hyannis, due to low advance registration.

In City Council,
