The Honorable Barbara Ackermann
Mayor, City of Cambridge
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, Massachusetts 02138

Dear Mayor Ackermann:

The Executive Committee of the Ward Three Democratic Committee respectfully request that the City Council recommend to the Cambridge Planning Department that a member of the Planning Department be delegated to communicate on a regular basis with members of the Ward Committee and other interested citizens. It seems important, at this time of building expansion in the Ward that a link between the community and the Planning Department be established so that the City may develop its short and long range plans for this part of the City with the interest and support of the community that it is planning for.

Sincerely,

Tom Neal
