

To the Mayor and Aldermen of the
City of Cambridge

The subscribers citizens of said
Cambridge, and owners and occupants
of Real Estate abutting on that portion
of Spruce Street in said City of Cambridge,
lying and being between Cedar Street
and North Avenue, respectfully remonstrate
against the granting of the prayer contained
in the petition of J. H. Collins, asking for
a change of location of so much of said
Spruce Street as lies between said Cedar
Street and North Avenue.

And your remonstrants further say
that the public safety and convenience
does not require or demand said
