City of Cambridge Council Office
795 Massachusetts Avenue
Cambridge, MA 02139

CAMBRIDGE MA.

November 20, 1997

Dear City Councilors,

We, the seven hundred fifty undersigned, hereby petition the city councilors to restrict automobile traffic on Brattle Street from Eliot Street to Church Street on Friday and Saturday evenings between the hours of 7:00 pm and 12:00 midnight from May 1st through October 31 st.

We believe that restricting this area for pedestrian use only will upgrade the ambiance of the Square on summer evenings as well as increase the safety of pedestrians. Often overflow crowds, watching the street performers, spill onto Brattle Street unaware of automobile traffic. With automobiles restricted, this area of the Square will become even more attractive to people.

These signatures, collected on three different summer evenings over a two month period, include both Cambridge residents and non-residents. We felt that it was important to include the signatures of everyone who patronizes Harvard Square. Therefore, you will see that the list reflects the cosmopolitan and international flavor that is Harvard Square.

This project was initiated and respectfully submitted by Cambridge residents Rebecca Hall, Timothy Sawyer, Eric Olick and Monica LLano.

Rebecca Hall 67-B Walker Street, Cambridge, MA 02138
Monica LLano 97 Fayerweather Street, Cambridge, MA 02138
Timothy Sawyer 326 Walden Street, Cambridge, MA 02138
Eric Olick 97 Fayerweather Street, Cambridge, MA 02138
