

❖CITY❖OF❖CAMBRIDGE❖

In Board of Aldermen, *ap 7.* 1885,

~~Ordered~~

The Committee on Roads and Bridges,
to which was referred the petition of Jas. F. Wilkinson
and others, praying for the extension of De Wolfe St.
from Mt. Auburn Street, northerly to Arrow Street,

Reports

That the improvements
asked for would involve the taking by the city
of about 6000 square feet of private land, which is
now taxed at the rate of 50¢ per foot. While the
opening of such a street would be of some public
convenience, yet inasmuch as there is no appro-
priation for such purpose, your committee recommends
that the petitioners have leave to withdraw

For the Committee.

Accepted. Sent down for concurrence.
