- WHEREAS: The City of Cambridge is particularly interested in facilitating economic growth that comparatively generates less traffic and parking requirements; and
- WHEREAS: The opportunity for manufacturing uses and jobs is consistent with municipal policy articulated for the City of Cambridge for the past 25 years; now therefore be it

City of Cambridge

IN CITY COUNCIL

RESOLVED: That the City Council

- *Welcomes the contributions of Genzyme to the economic health of our City
- *Applauds their professional achievements
- *Encourages their continued growth and success in the biotechnology field
- *Supports their efforts to locate its manufacturing operations in East Cambridge
- *Pledges to work creatively with company and administrative officials to formulate job training and recruitment opportunities for municipal residents
- *Recognizes the importance of a constructive public/private partnership to the general welfare of our City and will establish a specific program for economic development appropriate for Cambridge, including Cambridge jobs to Cambridge residents
- *Challenges Genzyme to expand its leadership in the corporate community by assisting the City of Cambridge in formulating policies and implementation strategies that allow the Company to grow and the entire community to benefit;

NOW THEREFORE BE IT ORDERED:

That the City Manager appoint a five member committee to advise the City Manager and Council on the most appropriate policy and programs for economic development and that this committee be appointed no later than December 30, 1991.
