Subject Petition of Anna Peoroza Regarding "Parking On Columbia & Harvard Street"

I have made an investigation into the parking problem on Columbia Street and Harvard Street created by the "Inglesia Dedios Church of God" located at 152 Harvard Street. Our records show that there have been no "Visitor Permits" issued to this church or its pastor and I can only assume that they are getting their permits from neighbors. I will send my officers into this area to tag Resident Parking during the evening hours but I believe that a warning be given to them first. Also the problem of the noise should be addressed at the same time.

After trying to locate the pastor of the church for three weeks we have found him through the landlord.
