Dear Mr. Sullivan:

Your authorization is respectfully requested for the following transfer within the Hospital Department:

From: Code G-12	Medical, Surgical, Laboratory	\$4,300
To: Code F-6	Emergency Elevator Repair	\$4,300

This request is being made to provide sufficient funds in Code F-6 to pay for the overhaul of the elevators required by Payne Elevator Company before they would contract with the Hospital for preventive maintenance services.

It was originally anticipated that the cost of this overhaul would be primarily for the replacement of equipment. However, the majority of the expenditure will be for services. Therefore, the transfer is being requested from the equipment code to the Emergency Elevator Repair Code.

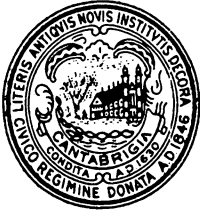

Thank You.

Sincerely yours,

Leslie N. H. MacLeod
