WHEREAS:

Official notice has been received from His Honor, the Mayor, of the death on May 9th of Frank F. Rogers Jr. the City Council would take notice of this sad event.

Frank Rogers was in every sense of the word a self-made man. Starting as a boy in the mercantile world he advanced step by step until he became a prominent factor in the business life of the City of Boston. He was always interested in public affairs although never running for public office. In 1920 he was chosen as a member of the Trustees of the Cambridge City Hospital and until his retirement from that Board gave freely of his time and business experience. In social circles he was an ardent Elk, a regular attendant at their meetings and gatherings, where his sound advice and genial presence were greatly appreciated. It is

RESOLVED:

That the City Council hereby records the loss that the death of Frank F. Rogers Jr. has meant to the community. Would that more men of his type answer the call to public service. A soldier serving in the ranks; modest, unassuming, trustworthy, his presence will be sadly missed.
