The Honorable City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear City Council,

Pro Disposal Inc. is a Minority Business Enterprise, located in Cambridge, MA. We are certified as an MBE with the City of Boston as well as with S.O.M.B.A. We have been in business for two years. We are a solid waste company providing roll-off container service to various construction companies throughout New England. We offer excellent service, competitive prices, and are happy to provide references.

We are hoping to increase our visibility as a competitive MBE and we are finding it very difficult to identify sources through which proven minority-owned businesses may compete for work. Any advice or assistance your office can provide would be much appreciated, particularly as it applies to bidding opportunities for work controlled by local, state or federal government set-aside rules.

If you have someone on staff who is knowledgeable about Small Business Set-Aside programs through which we might gain competitive access to bids in our business area, we would very much like to sit down and talk with them about how we can generate visibility and opportunity for our business.

As a constituent, I appreciate any assistance you can offer. Please contact me at the below address, phone number or fax number.

Sincerely,

Jay Chandler
President/C.E.O.
