The Honorable, The City Council
Office of the Clerk
City Of Cambridge
795 Massachusetts Ave.
Cambridge, MA

Dear Sirs/ Madams,

June 21, 1995

This letter is regarding the curb cut and variance application for 48 Lake View Ave. We are abutters and did not understand the scope of the changes being proposed when we signed approval for the project.

We wish to assert our right as abutters and withdraw our consent of this proposal. We were advised by an employee at the Clerk's Office on Tuesday, June 20, 1995 that the deadline for comments was Thursday, June 22, at 5pm and believe we are responding within the appropriate time frame. We have been told by the owners of 48 Lake View Ave. that the time frame for objections has passed. We still wish to assert our objection even if it is too late.

We believe that material facts and the extent of alterations to the property were not included in the plan nor were they made clear to us. Upon consideration of the total plan, we believe that the negative impact to our property is considerable, and we wish to withdraw our support.

If you agree to let approval go further, we request a hearing.

Thank you for your attention;
