Dear City Council,

The Burke Family would like to take this opportunity to thank you for our fathers dedication ceremony. Naming the home of the North Cambridge Crime Task Force in his name was not only special for him, but for us as well.

As you already know, the Task Force has been a major part of his life this past decade. His ceremony was a great reminder for him that a member of this community can be heard and issues can be resolved. He always strives to make our neighborhood a safe place to live, and today it is.

Your continued support towards him in National Night Out was always appreciated, by him and by us. His goal is to always have Night Out be a special part of the summer for the community and our neighborhood.

Dad and us will always have that night to remember. It meant so much to us! When ever we go by *the Larry Burke Police and Community Service Center* we are so proud of what it means and what he has done. Thank you so much.

Sincerely,

The Burke Family
