To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

name: Patrice BENNET-ALDER
32 Spring Park Ave. (617) 524-6437
Jamaica Plain, MA 02140

request: re-imbursement for damage to automobile tire suffered
because of disrepair of Cambridge street.

location: South side of Kirkland, 2 houses East of Divinity (Harvard campus?)

specifics:

on Friday, 3/14/80, approximately 10:15 AM, I was
traveling East on Kirkland and drove through a puddle that
hid a pothole. My tire was blown-out immediately and
had to be replaced. (a Harvard University Policeman assisted me
in changing my tire) Enclosed is a copy of the bill for a
replacement tire. The person I dealt with at the Advent
Tire Company is Hank.

thank you for your consideration
of my case.

Sincerely,

Patrice Bennet-alder
