We are in favor of anything that will slow down traffic or prevent cutting through like signs, speed bumps, barricades but it needs to be done with community discussion. Just changing the direction of Gold Star Rd makes the problem just go in a different direction and is probably worse, because it is easier to cut from Cameron thru to Mass Ave than to take the left off Mass Ave to Gold Star

We, the undersigned, would like Gold Star Road to remain as a one-way street from Mass Avenue.
