Dear Mr. Healy:

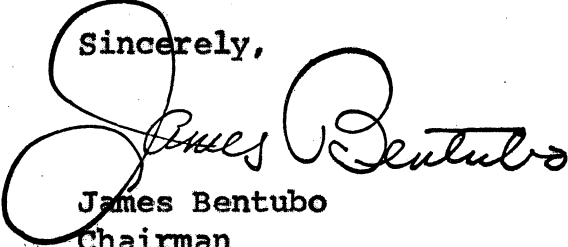

It is my understanding that the Wellington-Harrington Citizens Committee (WHCC) is scheduled to appear before the City Council on June 13, 1983 concerning the matter of a service road within the block bounded by Cambridge and Marcella Streets.

Our Committee, at the direction of the City Council, is in the process of holding community meetings on this matter, and will not have completed this process by June 13. We would like to postpone our meeting with the Council for a couple of weeks, and would like to suggest June 27 as an alternate date.

I would appreciate your confirming the June 27 date, or setting another date if June 27 is not convenient.

Thank you for your assistance in this matter.

Sincerely,

James Bentubo
