

PETITION

We, the undersigned, demand that the City Manager reinstate Police Officer Kevin Davis to his position on the Cambridge Police Force and to cease all discrimination against Mr. Davis and other black officers in the Cambridge Police Department.

Kevin Davis, a Cambridge Police Officer for more than eleven years, is known for his integrity and has been a positive influence on the Cambridge Police Department and its relations with the community. Because he has been outspoken in opposing racial discrimination by members of the department, including supervisory personnel, Mr. Davis has been subjected to a concerted campaign to terminate him which resembles a lynching more than due process. One supervisor who has been criticized for racial prejudice prepared the complaint against Mr. Davis. The personnel director filed an insulting brief which exaggerated the allegations against him and wrongfully suggested he has committed heinous crimes. Another official falsely testified about Mr. Davis's personnel record.

Although Mr. Davis has not been charged with, tried or convicted of any crime, City officials have made statements to the press which distort allegations against him and tarnish his reputation. These efforts underscore the racist nature of their actions.

We insist that the Department and the City once and for all put an end to their racial discrimination.

PETITION

We, the undersigned, demand that the City Manager reinstate Police Officer Kevin Davis to his position on the Cambridge Police Force and to cease all discrimination against Mr. Davis and other black officers in the Cambridge Police Department.

RECEIVED BY
OFFICE OF CITY CLERK
MAY 18 PM 8:16
CAMBRIDGE MA.

Kevin Davis, a Cambridge Police Officer for more than eleven years, is known for his integrity and has been a positive influence on the Cambridge Police Department and its relations with the community. Because he has been outspoken in opposing racial discrimination by members of the department, including supervisory personnel, Mr. Davis has been subjected to a concerted campaign to terminate him which resembles a lynching more than due process. One supervisor who has been criticized for racial prejudice prepared the complaint against Mr. Davis. The personnel director filed an insulting brief which exaggerated the allegations against him and wrongfully suggested he has committed heinous crimes. Another official falsely testified about Mr. Davis's personnel record.

Although Mr. Davis has not been charged with, tried or convicted of any crime, City officials have made statements to the press which distort allegations against him and tarnish his reputation. These efforts underscore the racist nature of their actions.

We insist that the Department and the City once and for all put an end to their racial discrimination.
