To The Honorable, The City Council:

In response to Awaiting Report Item No. 38, regarding a charge for additional visitor permits for private use, please be advised of the following:

The Traffic Department has always charged a fee for additional visitor permits except for the handicapped and elderly residents of the City. The increase in the cost from \$4.00 to \$8.00 is to keep in line with the rates set forth for resident stickers.

A second visitor permit is issued to a resident upon request due to an illness for a handicapped person who requires continuing care or for any resident that can prove a hardship exists with only one visitor permit.

Very truly yours,

Robert W. Healy
City Manager
