Re: Snowstorm-February 6, 1978

Dear Sir,

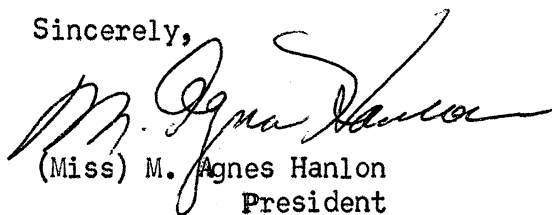

I wish to file a formal complaint against the City of Cambridge for serious damage done to our fence and hedges at 907 Massachusetts Avenue and Hancock Street.

The plows dumped all the snow from the street on Massachusetts Avenue and Hancock Street onto our sidewalk and lawn and against our building. They also took all the snow from Hancock Street and dumped it into our parking lot.

I do not know the cost of damage to either fences at this time as they are still covered with snow.

I will notify you of the cost of damages later.

Sincerely,

(Miss) M. Agnes Hanlon
President
