IN COMMON COUNCIL,

June 19th, 1900.

The Joint Standing Committee on Roads and Bridges,

Reports Recommending the adoption of the accompanying order, viz:-

Order making an appropriation of $10,000.00 for the purpose of completing the sidewalks on Hampshire street and Appian Way. This subject has for some time been under consideration by the Committee on Roads and Bridges on the part of the Board of Aldermen, which has in its files a petition from many business men, manufacturers and others, for the completion of the Hampshire street sidewalk. The Committee was directed by an order of the Board to consider the advisability of completing the sidewalks on Appian Way, which are much travelled, and which greatly need the improvement. Your Committee further recommends the adoption of the accompanying order authorizing a city debt of a like sum to meet the proposed appropriation.
