To The Honorable, The City Council:

In response to Awaiting Report Item No. 30, regarding a report on the source of additional funding for City Council and School Committee salary increases, please be advised of the following:

The City's budget has had an allocation since the early 70's which can be found in the Employee Benefits Department, Collective Bargaining Division Salary Adjustment cost center.

The purpose of the allocation is to cover all union and non-union cost-of-living allowances which are not budgeted in departmental salary and wages accounts. The FY97 adopted budget has a salary adjustment allocation of \$1,070,000.

Very truly yours,

Robert W. Healy
City Manager
