Dear Mayor Duheay and City Councillors:

I would like to take this opportunity to thank Mayor Duheay and Councillors Russell, Wylie and D. Sullivan for their affirmative votes at Monday's meeting regarding the taking of land at Smith Place.

Although the 4 votes were not enough to win, it is certainly nice to know where the "heart" of the city is at - with the people who have, to quote Mr. Wylie, "Foresight". We as taxpayers ask very little from our fair city and it seems like we are getting the same in return - very little. It is good to know we have a handful of our councillors who understand where the little people come from.

If I had realized that Mr. Vellucci was such a Thespian, I would have had a Broadway director on hand. In fact, maybe they could cast him in the new play called "Slow Demise of a City" in the lead no less.

Really, Mr. Vellucci, who not keep the theatrics where they belong, on stage and grow up and conduct yourself in a ^{manner} ~~hammer~~ becoming a representative of the City. Look around you and take a lesson from your constituents.

In closing again, my thanks to the aforementioned councillors for your support and feel free to contact me for any help in the future in your campaigns.

Regards

Ann Yennis
Mrs. John W. Tennis (Ann)

P.S. I hope Ms Graham's brother was not seriously injured.
