TO WHOM IT MAY CONCERN:

RE: Display of Merchandise on Sidewalk

A Cambridge Ordinance states that no merchandise shall be displayed on any public sidewalk in the City without a permit granted by the City Council and issued by the Superintendent of Streets. The fee is \$5.00 annually. See Cambridge Code, section 3-2 (copy attached).

No permit will be granted which allows such merchandise to occupy more than 25% of the width of the sidewalk from the building.

Any person granted a permit under this Ordinance must file a bond with the City Clerk in an amount to be fixed by the Council with surety approved by the City Auditor, Cambridge Code, section 3-6. Customarily, the amount of the bond is \$2,000.

Display of merchandise on the outside of a store also requires a permit from the Council and a bond. See Cambridge Zoning Ordinance, Article 4.35a, footnote 23.

Procedure for Obtaining Permit and Bond:

1. Apply to Council for permit by letter or on form supplied by City Clerk. Application should specify dates and times for which permit is desired, and should be made well before the time desired for the display.
2. The Council will grant the permit, with or without conditions, or deny it.
3. If the permit is granted, the City Clerk will send the petitioner an application for the bond, which the petitioner should have executed by his or her insurance company and then return to the City Clerk.
4. The Clerk then sends a copy of the Council Order to the petitioner, who takes it to the Commissioner of Public Works.
5. The Commissioner issues the permit, and assesses a fee for the use of the sidewalk.
