Mr. Frank S. Streeter

Dear Mr. Streeter:

Please be advised I am enclosing herewith your petition for a curb cut at 52 Fenno Street, unapproved by the City Council at its meeting held May 18, 1987. The reason for this action is the Inspectional Services Department indicated that this proposed curb cut does not meet the 10ft. minimum driveway width.

May I suggest that you contact the Board of Zoning Appeal within the Inspectional Services Department with the view toward petitioning for a variance. They can be reached at 498-9013 for your further assistance on this petition.

Sincerely yours,
