To The Honorable, The City Council:

In response to Awaiting Report Item No. 22, regarding a report on closing McTernan and Lawrence Streets during the Arts in the Park event, please be advised of the following:

The Traffic, Parking & Transportation Department has no objections to closing these streets for an event such as Arts in the Park. Event organizers must request the street closures from the Department when they are organizing the event. The process is very simple and should be no hardship for the event organizers.

Very truly yours,

Robert W. Healy
City Manager
